

WA Charity Direct AGM

WA Charity Direct are a very unique charity (www.wacharitydirect.com.au) who raise their funds through their members. Each member pays \$2k and invites a further two members also paying \$2k each and so on - it's a bit like pyramid selling. This year they raised over \$272K. They support charities that do not have traditional collection methods (door appeals, collection boxes, etc). Their patron is Danny Green and he was very happy to pose with Janette & Stevie Dodd (bottom right) and Alexandra (top right) who are carers/young carers.

WA Charity Direct supported Carers WA in 2007 with \$30K towards the Leeuwin Adventure and also more recently in purchasing a custom built wheel chair for Harley (Janette Dodd's son).
