Dear Trustees of WA Charities Direct

On behalf of CARAD I would like to sincerely thank WA Charities Direct for their generous donation of \$10,000. The much needed assistance you have provided will make a major contribution to the employment of a new Case Worker for our organisation.

Some of the services our new Case Worker will provide include counselling, assistance with accommodation, provision of emergency foodstuff and personal items, case management, advocacy with government and other service providers, and medical and dental care.

CARAD provides support to hundreds of needy asylum seekers and refugees each year and WA Charities Direct contribution will enable us to expand and improve our essential services.

I thank you again for your support.

Yours sincerely,

Dane Etheridge
Treasurer
